| **Behavioural And Digital Threat Assessment (BDTA™) Management** – In this session, trainers provide techniques for identifying and assessing individuals who engage in behaviours consistent with a threat. Trainers also provide S/TA teams with the tools to complete a thorough data collection and assessment process. This training includes current best practice for interviewing, intervention planning, progress monitoring and management. The delivery is a blend of BDTA™ theory, case study analysis, and application of key learnings into hands-on group-based activities. Participants will obtain the skills and knowledge vital for proactively and effectively identifying, assessing, and responding to worrisome and/or threat related behaviour through a BDTA™ management lens. | **October 30, 2023 9:00am – 3:30pm** | **Prince George School District office** 2100 Ferry Ave, Prince George, BC | https://www.eventbrite.ca/e/behavioural-and-digital-threat-assessment-bdtatm-management-tickets-704900184427?aff=oddtdtcreator |
