Deadline (oral presentation) : December 4, 2022

Dear Colleagues,

We are pleased to invite you to the **37th Research Meeting of Graduate and Postdoctoral Students in Research at CHU Sainte-Justine** on Thursday and Friday, 16 and 17 February, 2023. After two editions in virtual mode, we are happy to invite you to this meeting in the flesh, at the CHU Sainte-Justine! [Click here](#) for the preliminary schedule.

Registration for the congress is open to all. Only students and professionals registered at the CHU Sainte-Justine Research Center can present posters or make an oral presentation at the conference.

REGISTRATION AND SUBMISSION

Oral presentation

- Each presentation will last 10 minutes, followed by a 5-minute question period.
- Students who have presented an oral presentation at last year's Research Meeting are not eligible for an oral presentation this year.
- Only MSc and PhD students, postdoctoral fellows and clinical research fellows registered at the CHU Sainte-Justine Research Center can give an oral presentation. Interns, laboratory staff, and clinical research nurses are invited to submit an abstract for a poster presentation.
- A selection panel will be formed to evaluate the abstracts received. The top abstracts in each theme will be invited to give an oral presentation during the meeting.

Poster presentation

- The maximum poster dimensions are 1 meter (width) by 1.50 meter (height).
- Students will have 5 minutes to present the poster in front of the jury, followed by a 3-minute question period.

Abstract submission

- You must complete a [registration](#), before doing the [submission](#)
- The abstract can be submitted in either French or English and must be 300 words or less.
- It is the responsibility of the student to make sure the entire text fits in the registration form and that there are no spelling or grammatical errors.

Evaluation of the presentations

- Researchers are invited to evaluate oral presentations and flash presentations.
- Postdoctoral fellows, PhD students, and research professionals are invited to evaluate flash presentations (presentations to be evaluated will be assigned according to the level of the reviewer).
- Those interested in evaluating presentations should fill the appropriate section in the registration form.
