Re: Reminder to Vote in Tentative Agreement Ratification Vote

A reminder that voting on the tentative agreement for your renewed collective agreement will close tomorrow: **Thursday, June 3 at 5pm.**

Ballots containing your unique voter ID and a link to cast your ballot were sent to you on Monday, May 31. If you did not receive a ballot, or if you're experiencing problems voting, please contact negotiations.elections@bcgeu.ca, or Sheila Matthen (Staff Representative) by calling 604-291-9611 or 1-800-663-1674 ASAP, but no later than **Thursday, June 3 at 12pm** to ensure enough time to resolve your issue before voting closes. Please note that phone support is only available during BCGEU office hours Monday – Friday from 8:30am – 5pm

If you have any questions about the tentative agreement, please reach out to a member of the bargaining committee. **We strongly encourage you to vote on ratifying this collective agreement since it will be your last opportunity to accept the agreement before we pursue job action, up to and including a full strike.**

Ratification results will be announced on Friday, June 4.

We encourage you to vote yes and ratify your new collective agreement.
