**Re:** Tentative Agreement Ratifies

Your bargaining committee is pleased to advise that the tentative agreement was ratified this morning with a vote that was 83% in favour.

The next steps are for a draft collective agreement to be produced and proofed by the bargaining committee, union and the employer. When the agreement has been signed by the parties, copies will be distributed to all members.

I would like to take this opportunity to recognize and thank your bargaining committee for all of their hard work and determination in achieving the renewal agreement on your behalf. They advocated for you very strongly and successfully!
