**Re:** Results of Strike Vote

---

The bargaining committee would like to announce that members at Whitecliff have overwhelmingly voted **in favour of job action**. 98% of members voted to strike.

The message is clear: the settlement offered by Revera is not good enough and you are willing to fight for a fair agreement.

The Union will be reaching out to your employer to discuss next steps. **We have not served notice of a strike, and you should continue to report to work as usual.**
