Re: Bargaining builds momentum – More challenging discussions to come

Your Bargaining Committee continued negotiations with the employer on Thursday, March 18th and Friday, March 19th. We tabled a complete collective agreement and secured sign-off on many articles. Our next dates are Thursday, March 27th and Friday, March 28th, when we will begin discussing more challenging articles. This is a unique time to bargain a collective agreement as the Casino is closed, and the future remains unclear. Both parties are working hard to put together a collective agreement before opening.

In solidarity,

Your Bargaining Committee:

Deanne Terpenning
Gary Bennett, Senior Staff Representative - Negotiations
