

## Amber Rold

Hello! My name is Amber. I am 25 years old and I have been a member of the BCGEU and employed with Community Corrections for almost 3 years.

With the support of the BCGEU I have had the opportunity to achieve job stability and work towards realizing and achieving some of my long-term personal goals.

I am passionate about human rights, equality, and self-expression.

It is my wish that people from all walks of life feel equally respected, heard, and validated.

I would like to be a positive influence and help show that anyone can accomplish any goals they wish to achieve.

I want to be a part of improving the working lives of BCGEU members and help set standards for all working people in British Columbia.

I want to ensure all our members feel safe and supported and I wish to be a positive role model to young workers.
