Re: Seeking Members Interested in Health & Safety

Getting involved with Occupational Health & Safety is a great way for union members to contribute. As a safety committee member, you will help ensure your employer is following OH&S regulations. You can raise the profile of health and safety and improve your working environment. Would you like to serve on an Occupational Health & Safety Committee at your worksite?

Expressions of interest requests are open for 3 positions for the OH&S committee and will close on **November 15, 2022, at 5:00 pm.**

Members of the Committee are entitled to all committee functions with no loss of pay and are entitled to 8 hours of annual educational leave without loss of pay or other benefits.

If you are interested in serving on your OH&S committee or would like more information, please contact Roshni Singh via email at sroshni04@yahoo.com by **5:00 pm, on Tuesday, November 15, 2022.**

In solidarity,

Roshni Singh
Local 404 Chair
