Re: Bargaining Committee Members

The bargaining committee nominations for Lower Mainland Purpose Society have now closed. We received one nominee for last available position, so I am pleased to announce that Meilean Chin has been acclaimed as a bargaining committee member and we do not need to go to an election.

Please join me in congratulating your bargaining committee members:

- Kirsten Nicholson from the Ready Set Grow program.
- Hyunji Yang from the Skwo:wech Children's centre
- Meilean Chin from the Qayqayt Children's centre

In the coming weeks, your bargaining committee will meet to review priorities and develop bargaining proposals based on the responses we received to our bargaining survey. If you did not complete the survey, please reach out to one of your bargaining committee members to let us know what changes you want to see in your contract. We will keep you updated throughout the bargaining process. Bulletins will be sent by emails to those members who have registered their personal emails with the union and will be posted at your worksites.

To ensure you receive copies of all bargaining updates in a timely manner, we recommend that you update your existing contact information by going to the BCGEU website at my.bcgeu.ca/signup or by notifying your bargaining committee.

Just a reminder, the current collective agreement remains in place until a new agreement is reached.

In solidarity
