

## News on BARGAINING

### | PLEASE POST |

**Date:** March 2, 2021

**To:** All Local 1703 and 1704 Members at Alliance Facility Solutions, Inc.

**Re:** Election of Bargaining Committee Members for the Lower Mainland/Fraser Valley Region (BCGEU Region 2 / Areas 03 & 04)

For the Lower Mainland/Fraser Valley Region (Areas 03 & 04), an election is required. A balloting package is being mailed to each member for whom the Union has a current home mailing address. You will receive a ballot for your region only. **If you do not receive a ballot in the mail by Tuesday, March 9, 2021** please email [Negotiations.Elections@bcgeu.ca](mailto:Negotiations.Elections@bcgeu.ca) so that we can arrange to send a ballot to you.

At the close of nominations for your bargaining committee, the nominees for Areas 03 & 04 were as follows. Note that the order of names is random.

**Lower Mainland/Fraser Valley (BCGEU Region 2 / Areas 03 & 04) – Two (2) Members required:**

- Earl Bloom
- Jeffrey Sykes
- Randy Loberg

Balloting instructions are included in each balloting package. Ballots will be cast using a two-envelope privacy and declaration system. For your ballot to be counted, it must be sealed inside a privacy envelope. That privacy envelope must then be sealed inside a declaration envelope on which you must provide your complete contact information and signature. Please review and carefully follow the balloting instructions to ensure your ballot is not spoiled.

**Your ballot must be received by no later than Friday, April 2, 2021 at 5:00 PM**

If you do not receive a balloting package through the mail, this likely means that we do not have your home mailing address on file. In such a situation, you will need to contact your BCGEU area office to obtain a ballot.

To help ensure you receive bargaining updates, please provide a personal email address to the BCGEU at [www.bcgeu.ca/update](http://www.bcgeu.ca/update). If we already have an email address on file for you and you wish to update it or any of your existing contact info, you can use the same form.
