

# Re-Elect Olga Routkovskaia to Bargaining Committee

A BCGEU staff member once told me:

*"Douglas College is a great place to work... if you can afford to work here."*

Money matters. Arguably now more than ever:

- Housing prices skyrocketed during the pandemic.
- Inflation rate of 4.7% at an 18-year high.

Benefits, entitlements and working conditions matter also.

About me: Bargaining Committee Member for the last 2 Collective Agreements;  
7 years as a Shop Steward;  
4 years on the Labour Management Relations Committee (LMRC);  
at Douglas College since 2010;

I have been on a medical leave to recover from an accident. I will be returning to work and I am submitting my nomination now while still on leave because otherwise, I will miss the deadline to run for re-election.

**Re-elect Olga Routkovskaia to help negotiate the next Collective Agreement.**
