#### BC CANDIDATE HOST COMMUNITY BID SUBMISSIONS MUST CONTAIN THE FOLLOWING INFORMATION:

#### 1. Introduction – Cover Letter and Optional Video

As an introduction to your Candidate Host Community Bid Submission, please include the following information:

- The name, population, and description of your community(ies).
- Vision for the Games and legacies.
- Overview of venues and participant accommodations.
- Proposed dates for hosting the Games.
- Hospitality information including the number of hotel/motel beds for visitors and dignitaries, as well as
  restaurants, public transportation, and tourist attractions that would be available to parents and other
  spectators who may visit your community(ies) during the Games.
  (Note: communities are invited to include a video capturing key messages from the bid's leadership

group and images of the venues and the surrounding area)

#### 2. Community/Municipal Support

Please include the following in your Candidate Host Community Bid Submission:

- Resolution from the local Indigenous Nations and Indigenous organizations indicating their support for the Bid Application. The resolution should include support for a financial contribution in cash and in-kind services and facilities.
- Resolution from Municipal Council(s) indicating support for the Bid Application. The resolution should include support for a financial contribution in cash and in-kind services and facilities.
- Resolution from the School District, stating support for the Games and a willingness to provide the necessary school facilities that are required for competition and possibly accommodation purposes, and the necessary buses for transportation of participants during the Games.

#### 3. Financial Support (refer to Sections 2.2, 2.3 and 2.5 of the NAIG Council Bid Procedures Manual)

Please provide evidence of financial resources to pay the NAIG Council Bid Fee of \$10,000:

- The first bid fee payment of \$5000 is required with the letter of intent (Nov 25, 2022).
- A second fee payment of \$5000 is required from host candidate cities that have met the bid book requirements (March 10, 2023).

Based on the NAIG Financial Framework, Federal and Provincial Governments may each contribute up to 35% (\$4.9M) of the Games total budget for a maximum combined total of 70%. Such contributions are subject to each government reviewing the bid proposal and required financial information and deciding to provide funding.

• Please provide financial guarantees totaling no less than 30% of the total estimated Host Society costs for the Games (estimated at \$3m to \$4.2m) along with an indication of plans to raise the funding required from the Host Society.

### 4. Proposed Budget (refer to the Financial Services and Revenue Generation sections in Appendix A of the NAIG Council Bid Procedures Manual)

The proposed budget is simply a first draft for the purpose of the BC Candidate Host Community Bid Selection Process. There will be additional time to refine this budget if selected as BC's Bid for the 2027 NAIG. Bid submissions must outline the proposed cost of operating the Games, which does <u>not</u> include any required construction or renovation of facilities costs.

• When preparing your budget, please use *Proposed Games Budget (Appendix A)*. Please substantiate the budget figures by providing a one-page explanatory note with the budget.

• Please provide a proposed strategy for revenue generation and sponsorship recruitment to fulfill financial obligations.

#### 5. Previous Event Experience

Please provide a list of the major events (including provincial, national, and international sporting events where possible) previously hosted by your community/region. Please include the following for each event:

- Name and date of the event.
- Participant numbers.
- Volunteer numbers.
- Approximate operating budget.

## 6. Human Resources (refer to the Volunteers section in Appendix A of the NAIG Council Bid Procedures Manual)

To stage a successful Games, a Host Society must be incorporated, which will recruit, train, and direct the efforts of approximately 3,000 community volunteers. Please provide the following:

- A proposed organizational structure that demonstrates the capacity to successfully host the Games.
- A general plan for recruiting, coordinating, and acknowledging the Games volunteers.

## 7. Proposed Facilities (refer to the Sport Delivery, Venue Operations and Villages sections in Appendix A of the NAIG Council Bid Procedures Manual)

List of sport and non-sport venues/facilities available, including location, and infrastructure:

#### <u>Sport</u>

- Does the facility meet the minimum sport requirements outlined in the *Appendix B Sports & Facility Requirements*? Please provide specific facility descriptions (size, number of lanes/courts/diamonds etc.)
- What is the seating capacity for spectators?
- Parking capacity?
- What equipment is available within your community (i.e., timing equipment, targets, mats, etc.)?
- What is the travel time from the proposed Athletes Village accommodation site to the sport venues? Travel time between sport venues and the Athletes Village accommodation site should not exceed one (1) hour; however, NAIG Council may consider satellite venues (i.e., separate venues providing suitable competition, accommodation, and food services).
- Are the facilities wheelchair accessible?
- Letters of support from venue operators are not required but would lend strength to the bid.

#### <u>Other</u>

#### Athletes Villages

• Identify a suitable location where up to 6,000 athletes, coaches/managers, cultural performers, and chaperones will be housed and fed.

#### Accreditation Centre

• Identify a suitable location to accredit the participants for the Games.

#### **Opening / Closing Ceremonies**

• Identify a suitable location for the Opening and Closing Ceremonies.

#### Transportation Centre

• Identify a suitable location for Games transportation vehicles and operations.

#### Host Society Offices

• Identify a suitable location for Host Society staff and volunteer training.

#### <u>Warehouse</u>

• Identify a suitable location for warehousing and storage.

#### <u>Map</u>

• Provide a map showing the location of all Games facilities illustrating the proximity of all facilities to the Athletes Village.

### 8. Cultural Village and Program (refer to the Ceremonies and Culture sections in Appendix A of the NAIG Bid Procedures Manual)

During the Games, a site(s) should be designated for free family-friendly activities and performances.

- Please outline your plans for the Cultural Village to showcase local, national, and international Indigenous cultures and history.
- The Cultural Program brings art, sport, culture, and community together. Please outline your plans for the cultural program to promote Indigenous cultural activities and exhibitions, foods, crafts, and artwork.

# 9. Accommodation (refer to the Accommodation Planning section in Appendix A of the NAIG Council Bid Procedures Manual)

#### Sport Accommodations

- Athletes, coaches/managers, cultural performers, and chaperones are generally housed in a dorm setting (schools, university, colleges), up to a maximum of 30 participants per dorm room.
- Requirements should be based on 6,000 athletes, coaches/managers, and chaperones at one time.
- Team Mission Staff and Technical officials are accommodated in hotel beds.
- Approximately 20 extra storage rooms are required for equipment storage and drying rooms.

#### Please include:

- The accommodations location and description that will house the athletes, coaches/managers, cultural performers, and chaperones.
- Assume a minimum of 50 square feet per person in each room.
  - Toilet and sink ratios must be a minimum of 15 to 1 or as required to meet local health standards.
  - Access to hot showers must be available to all participants on a daily basis but do not have to be provided at the Villages. Access to shower system must be supported by the bus transport system. Showers must be available a minimum of 12 hours a day when not available at the villages.
  - $\circ~$  Shower ratios 15 to 1 or as required to meet local health standards.

#### Visitor Accommodations

- The Host Society shall be responsible for booking of a minimum 500 guest rooms over a period of 15 days (i.e., 7500 room nights) within 1 hour driving distance from the Athletes Village (this number includes rooms for mission staff, technical officials, and spectators).
- A description of hotel/motel facilities and number of rooms available for Mission Staff, Technical Officials, special guests and dignitaries, and spectators.

#### 10. Food Services (refer to the Food Services section in Appendix A of the NAIG Bid Procedures Manual)

The Host Society is required to feed the participants and team officials.

- Please include a description of the Food Centre including the proposed location and seating capacity for feeding Games participants.
- The Food Centre must be large enough to seat large groups of participants at one time and provide adequate space for food service lines. The Food Centre serves a hot breakfast, lunch and dinner and grazing between meals.

### **11.** Transportation (refer to the Transportation section in Appendix A of the NAIG Council Bid Procedures Manual)

#### External:

• Please describe the accessibility of your community/municipality via air and highway.

#### Internal:

The Host Society is responsible for providing, at a minimum, ground transportation to all accredited team members, the NAIG Council, VIPs as designated by NAIG Council upon their arrival in the host community for the Games until their departure. Ground transportation service will encompass official Games venues and villages and commence the day before opening ceremonies and continue until the day after closing ceremonies. This shall include transfers from Host Society designated airports.

The ground transportation of all sport equipment and materials for delegations from arrival to departure will also be provided.

The Host Society is also responsible for providing the type of ground transportation to staff, volunteers, officials, medical personnel etc. commensurate with their Games duties and responsibilities.

- Please describe details for movement of participants within the area (i.e., number of buses, general movement of athletes from venue to venue, distance to venues, etc.).
- Letters of support from transportation companies/partners would lend strength to your bid.

#### 9. Support Letters

While not required, letters of support and in-kind commitments from partners, community groups, businesses, etc. will lend strength to your bid.

#### **10. Additional Information**

Please include any additional information you feel enhances your bid.

#### 11. Bid Committee

Please list the names, addresses, and telephone numbers of your Bid Committee and include a brief biography of each member. Please indicate the name of the key contact person on your Bid Committee.
