

Purpose of this form

This form is used to collect information about your disability, including documentation from your health care provider (physician or other regulated health care professional). This information is used to verify your status as a person with a disability for Ontario Student Assistance Program (OSAP) and/or Ontario Learn and Stay Grant purposes.

If verified, you may:

- Get additional disability-related funding or the rules for getting OSAP and/or the Ontario Learn and Stay Grant may be adjusted (such as allowing a reduced course load).
- Qualify for funding through the Ontario Bursary for Students with Disabilities (BSWD) and/or the Canada Student Grant for Services and Equipment – Students with Disabilities (CSG-DSE). These two programs help eligible students in full-time or part-time studies with the costs of eligible disability-related educational services and equipment, such as note-takers, tutors, or assistive technology. You must submit a BSWD/CSG-DSE application to be considered. The application is available on the OSAP website (ontario.ca/osap). Students in micro-credential studies and students who are receiving only the Ontario Learn and Stay Grant are not eligible for BSWD or CSG-DSE.
