

NOTICE

Due to ongoing **BCGEU strike action** at BC's Liquor Distribution Branch Warehouses, we are experiencing **temporary stock outages** of refreshment beverages, imported wine and spirits, and most imported beers.

We do not know when these products will be available again.

We apologize for the inconvenience.
We will replenish our stock of these products as soon as the strike is over.

If you cannot find your usual favourite product, please ask us for a local alternative. We have good supply of wine, beer, cider, and spirits from local BC producers.
